

March 19-22, 2020

2020 Communication Technologies and Cloud Computing Conference

Cambridge University, UK

CTCCC 2020 will be a remarkable event which can bring together professors, researchers and students in the field of communication technologies and cloud computing making the conference a perfect platform to share experience, foster collaborations across industry and academia, and evaluate emerging technologies across the globe.

Conference Proceedings

Accepted and registered papers will be published in Conference Proceedings, which will be indexed by the major databases, for example, **Ei Compendex**, Google Scholar, **Scopus**, etc

Submission

English is the official language. Paper should be prepared in English.

Abstract submission is for presentation only without publication.

Full paper submission is for both presentation and publication.

Submission Deadline (Full paper): **Nov. 10, 2019**

Submission Deadline (Abstract): **Nov. 15, 2019**

Notification Date: **Nov. 30, 2019**

Topics

For more topics, please visit
<http://www.ctccc.org/Topic.html>

- Wireless networks
- Anomaly Detection
- Data Communications
- Internet Technologies and Applications
- Emerging Technologies
- Power Efficiency and Sustainability
- Optical Communications & Networking
- Cloud & Data Center Networks
- 5G Heterogeneous Networks
- LTE-Advanced Standards
- Spectrum Management
- Emerging SDN Protocols
- Virtual reality, cyber law, e-governance
- Ubiquitous Computing
- Sensor/ad hoc networks
- Reliability Performance Analysis
- Grid and Cloud Computing
