Submission Guideline

- Submission Requirements:
1. Language: English.
2. Submission Type: Abstract submission for presentation only without publication. Full paper submission for both presentation and publication.
3. Paper Length: Each paper should have 8 pages at least. A regular registration can cover a paper within 10 pages and more pages will be charged.
4. Papers submitted to the conference should report original, previously unpublished research results, experiments or theories and must not be under consideration for publication elsewhere.
- Submission Process:
1. Template Download.
2. Submit your paper to Online Submission System.
